

Universal soap dispenser

Distributeur de savon

Dosificador de jabón

dim. mm
(dim. in)

Dispenser should be removed from wall bracket and washed thoroughly with warm water 4 times a year to ensure proper working order

Caution: This dispenser is designed for lotion soaps only. Soaps containing any type of scrubbers i.e. pumice, beads or shells, etc. will cause the dispenser to leak and eventually fail.

For best adhesion results of double sided tape, only fill the reservoir 1/4 full for the first 24 hours
